A CASE FOR SMILES

We are happy to announce Cottage Quilts is partnering with ConKerr Cancer to bring smiles to children with life changing illnesses and injuries. ConKerr Cancer delivers colorful and fun pillowcases to pediatric patients across the nation. The Minnesota Chapter of ConKerr Cancer began in February and recently made its first delivery to the University of Minnesota Amplatz Children's Hospital. Please help us make hospital stays as pleasant as possible for these children. This is a great way to use up your stash of children's fabric. Any standard sized pillowcase pattern is acceptable. Drop off completed pillowcase here. A ConKerr Cancer coordinator will gather the pillowcases and ensure they are delivered to patients within Minnesota. Visit www.ConKerrCancer.org for more information & pillowcase pattern.
